An anime-style illustration of two young men. The man on the left has short brown hair and is looking down with a slight smile. The man on the right has dark hair and is looking down, holding a small, wrapped gift. They are both wearing light blue shirts. The background is a soft, pinkish-purple with falling petals. The text "Happy Birthday Moonchild" is written in a cursive font at the top. At the bottom, there is a message of thanks from the team mates at Liquid Passion.

**LOVE
HEALING**

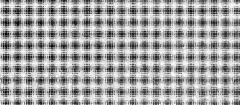

Hi, everyone, this is Minami!

This is my first new book since
Winter Comiket, eight months
ago. ♪ This time I drew the
things I like again. Why do I love
things like this? lol! Boy nurses
are really great. Drawing this in
this heat was really refreshing.

By the way, this time I drew the same
as a type that I really like too. The two of
them together are soothing characters
to me. Sickly boys are great. (But just
sickly...! It's sad when they're sick. ♪)
So anyway, please go ahead and read this
manga featuring a pseudo-boy nurse. ♪
